

The College of Agriculture, Food & Environmental Sciences at California Polytechnic State University (Cal Poly) in San Luis Obispo, California, is seeking a full-time, Associate/Full Professor 12-month Department Head for its Experience Industry Management Department.

This position has an anticipated start date of January 2021 but will be open until filled. The Department Head is a tenure-track position and will provide leadership for all programmatic and administrative functions including instruction, research, and alumni and industry engagement. The Department Head leads a talented team of 7 tenure-track faculty members, 4-6 part-time lecturers and 1 staff member who engage with approximately 340 undergraduate students.

This position will provide leadership for the Experience Industry Management Department in the following areas:

- Department's instructional programs
- Faculty and staff hiring, development, mentoring and workload
- Academic advising for undergraduate students
- Program assessment
- Development and implementation of strategic plan and goals for the department
- Development of external funds and advancement
- Management of budget, facilities, and departmental resources
- Diversity, equity, and inclusion efforts

The successful candidate will also teach undergraduate and graduate courses in the program. The successful candidate will be expected to engage in scholarly activities (i.e., research, publishing, grant writing) as part of professional development. Additional duties will include advising undergraduate and graduate students, and participating in University, College and Departmental activities. The Cal Poly community believes in the "teacher-scholar model" which emphasizes scholarly activities (i.e., research, publishing, proposal writing and program development) in addition to teaching excellence.

Department Head appointments and 12-month assignments are made and continue at the pleasure of the College Dean. Tenure is earned only in the instructional portion of the position, which includes teaching, research, and service. Credit towards tenure at the time of appointment may be awarded depending on the candidate's years of teaching experience, professional development, and rank. Academic rank and salary will be commensurate with the selected candidate's qualifications and experience.

At California Polytechnic State University, San Luis Obispo, we believe that cultivating an environment that embraces and promotes diversity is fundamental to the success of our students, our employees and our community. Bringing people together from different backgrounds, experiences and value systems fosters the innovative and creative thinking that exemplifies Cal Poly's values of free inquiry, cultural and intellectual diversity, mutual respect, civic engagement, and social and environmental responsibility. Cal Poly's commitment to diversity informs our efforts in recruitment, hiring and retention. California Polytechnic State University is an affirmative action/equal opportunity employer.

## **REQUIRED QUALIFICATIONS**

- A Ph.D. in Recreation, Parks, and Tourism or a closely related field with qualifications for appointment at the rank of Associate Professor or Professor with tenure
- Demonstrated exceptional leadership, effective management and interpersonal skills
- Strong professional record of academic achievement, including publications, grants, and cooperative projects in the experience industry
- A broad-based knowledge of the experience industry in areas such as event planning, experience design, experiential marketing, sport management, hospitality, community recreation, outdoor and adventure recreation, tourism planning, and destination marketing and management
- Strong commitment to teaching excellence
- Demonstrated experience in collaborative priority setting and decision-making
- Demonstrated experience in carrying out CAFES' mission through an appropriate combination of teaching, research, and advancement
- Demonstrated ability to manage resources in order to solve problems with creativity and innovation
- Ability to interact with Experience Industry stakeholders in developing research and industry initiatives of local, national and global importance
- Evidence of leading institutional development such as fundraising, collaboration and contracts
- Outstanding written and verbal English communication skills
- Demonstrated commitment to diversity, equity, and inclusion

#### **PREFERRED QUALIFICATIONS**

- Demonstrated experience in successfully allocating, directing and monitoring annual budgets
- Evidence of working collaboratively with partners including industry, local, state or national government agencies, and non- governmental entities
- Experience in interdisciplinary research
- Familiarity with instructional technology and online learning
- A track record of effectiveness in teaching both undergraduate and graduate courses and overseeing comprehensive curriculum development
- The ability to collaborate on research with faculty across the College and the University and lead development of the Experience Innovation Lab to be launched in 2021-22
- International experience or the desire to cultivate international partnerships
- Experience working with underrepresented students in research, teaching, service, advising, mentoring or the community

#### **SPECIAL CONDITIONS**

The person holding this position must be willing to travel and attend training programs off-site for occasional professional development.

The person holding this position is considered a 'mandated reporter' under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

Following a conditional offer of employment, a background check (including a criminal records check) must be completed satisfactorily before any candidate may start work with Cal Poly, San Luis Obispo. Failure to satisfactorily complete the background check may result in the withdrawal of the offer of employment. Note: Cal Poly cannot deny an applicant a position solely or in part due to a criminal conviction history until it has performed an individualized assessment and linked the relevant conviction history with specific job duties in the position being sought.

Please note: Current employees who are offered positions on campus will be required to undergo a background check for any position where a background check is required by law or that Cal Poly has designated as sensitive. Sensitive positions are those requiring heightened scrutiny of individuals holding the position based on potential for harm to children, concerns for the safety and security of people, animals, or property, or heightened risk of financial loss to Cal Poly or individuals in the university community.

For health and well-being, Cal Poly is a smoke & tobacco-free campus. The university is committed to promoting a healthy environment for all members of our community.

### **HOW TO APPLY**

Applicants are encouraged to submit materials by July 17, 2020 for full consideration; however, the position will remain open until filled. Interested candidates must attach (1) a cover letter providing some detail of applicant's qualifications and interest in the position; (2) resume/CV; (3) unofficial transcripts of the highest degree; (4) a statement of philosophy on leadership and management of an academic department; (5) a statement describing the candidate's experience(s) with diversity and inclusion and how their experiences have prepared them to advance Cal Poly's commitment to diversity and inclusion, and (6) at least three professional references with names and email addresses. The selected candidates will be required to provide sealed official transcripts prior to appointment for final consideration.

Cal Poly's commitment to diversity informs our efforts in recruitment, hiring and retention. California Polytechnic State University is an affirmative action/equal opportunity employer.

### **ABOUT THE DEPARTMENT**

The Experience Industry Management Department of the College of Agriculture, Food and Environmental Sciences offers a B.S. in Recreation, Parks, & Tourism Administration and a minor in Event Planning and Experience Management. An M.S. in Agriculture with a specialization in Recreation, Parks, and Tourism Management is currently not accepting applicants. The Experience Industry Management department, accredited by the Council on Accreditation of Parks, Recreation, Tourism and Related Professions offers areas of study in Tourism, Hospitality and Destination Management, Event Planning and Experience Management, and Sport and Recreation Management. The Experience Industry Management department's vision is to cultivate leaders and innovators in industries that promote healthy lifestyles, protect memorable places, and facilitate life-enhancing experiences for individuals, communities, and the global society.

### **ABOUT THE COLLEGE**

Cal Poly is consistently ranked as the best master's-granting institution in the western United States. The College of Agriculture, Food, and Environmental Sciences is the fifth-largest college of agriculture in the United States, with 4,100 undergraduate students, 184 full time faculty and staff, 15 majors, and five graduate programs. We have a very strong faculty and an accomplished student body with an incoming high school GPA of 4.0, a large university farm (over 10,000 acres of cropland, pasture, and forest, with student-run enterprises in dairy, beef cattle, poultry, sheep, horses, organic and conventional crops, and a food science pilot plant, the new Oppenheimer Family Equine Center, a commercial winery in the Justin and J. Lohr Center for Wine and Viticulture, under construction, and many other facilities), several research centers, and the Learn By Doing ethos that is central to Cal Poly's mission. We are in the midst of an ambitious privately funded facilities construction program that will result in even more opportunities for faculty and student success. See <https://cafes.calpoly.edu> for more information about CAFES.

## **ABOUT THE UNIVERSITY**

Founded in 1901, Cal Poly is one of only five comprehensive polytechnic universities in the nation, with approximately 22,000 undergraduates, 120 postbaccalaureate, and 900 graduate students. U.S. News and World Report has ranked Cal Poly #1 among public master's universities in the western United States for 25 consecutive years. A primarily undergraduate university, Cal Poly offers academically focused students 66 baccalaureate degrees and 27 master's degrees. Operating on the quarter calendar system, Cal Poly takes pride in its "Learn-by-Doing" approach to teaching and learning, which has characterized Cal Poly since its founding. One of the 23 campuses of the California State University system, Cal Poly has a statewide mandate as a polytechnic university. Cal Poly is one of the largest land-holding universities in the nation and uses all of its land holdings in active support of its educational programs. Cal Poly is located in historic San Luis Obispo, a city of 47,500, 12 miles from the Pacific Ocean and midway between San Francisco and Los Angeles on California's scenic Central Coast. With excellent public education resources, recreational facilities and an expanding dedication to the arts, the area is known for its scenic landscapes and extraordinarily temperate climate.
