

# Les Roches

## Executive Dean

### Permanent contract / Crans-Montana, Switzerland

Les Roches Global Hospitality Education, in the top 3 for Hospitality & Leisure Management by the QS World University Ranking, is a brand of the Sommet Education Group. Founded in 1954, Les Roches is a private institution based on the Swiss model of experiential learning, offering undergraduate and graduate degrees in the fields of hospitality, tourism and event management. Les Roches prepares entrepreneurial and innovative graduates across a global network of campuses in Crans-Montana (Switzerland), Marbella (Spain) and Shanghai (China).

You share our values: Development, Distinctiveness, Joint commitment, Openness and Sense of service.

You are a leader and a team player with strong problem solving and communications skills, combined with an in-depth understanding of the academic world in the hospitality domain. You have a Ph.D. in a business-related discipline, alternatively a Master of Business Administration or equivalent degree with significant industry experience. You have several years of managerial experience in the field of education at university level and business. You have demonstrated leadership skills and impact in an academic setting. On top of a pragmatic and entrepreneurial mindset you possess excellent verbal and written communication skills, and are fluent in spoken and written English. French spoken and any other languages, a clear asset. You have demonstrated ability to work with multicultural teams and in an international environment. Finally, you have highly developed interpersonal and stakeholder management skills.

As **Executive Dean**, your main missions will be:

- To be responsible for overseeing the overall academic integrity and delivery of the institution on the Swiss, Spanish and Chinese campuses.
- To be responsible for program planning and development at both undergraduate and graduate levels.
- To manage, hire and develop faculty to achieve institutional goals.
- To manage international academic partnerships.
- To drive excellence in teaching and learning through pedagogical innovations and solutions incorporating new technology, online, and blended options.
- To be responsible for student academic progress and satisfaction.
- To work in close collaboration with your colleagues at the School's leadership level and with program managers, faculty development and faculty.
- To contribute to the Academic sub-committee of the Board of Governors.
